THE STORY OF OUR PEOPLE (PAPERBACK)

Booksurge Publishing, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In The Story of Our People by David Hillstrom, an older woman in a ruined city takes care of a group of children, telling them a remarkable story to explain the complex world at large. This story, told in poems and narrative, is the basis of Hillstrom s insightful and moving collection. The grandmother tells the children of the popular uprisings that took place over and over again throughout history, yet she also calls for a new social order which might keep hope alive. As the story progresses, the grandmother introduces a woman, a poet and a welder, each of whom bring love, romance and practicality to this envisioned new world. In The Story of Our People, Hillstrom suggests that ideals can be realized and that a new natural order can come about. Beautifully written and told with insight and sensitivity, The Story of Our People is both a message of hope and a deeply moving collection of poems.
