Reviews

*Complete guide! Its such a good go through. It is rally fascinating throuh reading period of time. Its been written in an extremely basic way and is particularly only after i finished reading through this publication throuh which really changed me, change the way i really believe.
(Mrs. Macy Stehr)*

SEEING DOUBLE: A CYRUS SKEEN MYSTERY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It is early December, 1929. Cyrus Skeen has concluded his case in *The Chameleon*, in which he uncovered a cell of the Nazi Party near Stanford University in Palo Alto, a college town south of San Francisco. But into his life come two Germans, one a Hollywood director, another an operative of a Marxist think tank in the midst of relocating from Germany, which is becoming more hostile to Communists and other fellow travelers. They are twin brothers and both wind up dead early on in the case. One is supposed to have murdered the other, and attacked Clara Reyes, Skeen's loyal and resourceful secretary. The German Consulate in San Francisco, with which Skeen has crossed swords in the past during the Esterhazy case earlier in the year, avers that neither man was what he seemed to be.
