Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.There is not, nor will there ever be scientific proof that evolution is a fact. Evolution is a world view. It is a religion all its own. It uses and misuses terminology such as natural selection to gain an audience. To gain funding. Think about it, to make a selection requires intelligence. Evolution teaches possibilities that are mathematically impossible. It teaches children to believe in the Ortt cloud and Dark Matter - neither of which has ever been observed. If you want to teach sound creation truth, then using this step by step, Bible based teaching tool (specifically designed for teaching Creation Science in the sunday school or children s church setting), will show you how. Using these easy to follow lesson plans you will enable your students to defend creation, and skillfully challenge evolution bullies anytime, anywhere. Teachers will find that these lesson plans include enough learning activities to engage k-6th grade students for up to 90 minutes - depending upon the class size and reading abilities. With just a little imagination a teacher could ramp up the lessons to minister to Junior High School students as well. Lessons include a fun beginning activity, a Scripture Look Up portion, (designed to easily motivate students to use their Bibles) as well as an exciting game, or an activity or a science experiment with which to end each session. Suggestions for classroom management is sprinkled throughout, as well as a generous supplemental section that s included in the back. If you are seeking a new way to turn your children s church back to the Bible, then you will find this manual worth it s weight in...
