iUniverse, United States, 2004. Paperback. Condition: New. New.. Language: English . Brand New Book ***** Print on Demand *****. No fiction could match the excitement of this real-life tale of suspense and survival. Eva s Journey zips along, touching only lightly on the tragedy at its core. The focus instead is on the combination of luck and Eva s amazing presence of mind that allow the Jewish teen to evade capture by the Nazis for four years in occupied Poland and Russia. Eva s Journey is a glorious story of the resilient spirit triumphant over some of the worst human savagery our world has endured. --Irene McDermott, author of The Librarian s Internet Survival Guide and Reference Librarian/System Manager, San Marino Public Library. I was very moved and often teary-eyed as I read this story of the survival of this incredible child. --Tami Cutler, Elementary School-Teacher, Duarte, California. I read the whole story, and it was excellent. I feel that it makes a significant contribution to the literature reflecting Jewish history and experience of that period, and would be useful to schools and historical and cultural organizations. I got quite caught up in the story, and thought it had a lot of feeling. --Kay Haugaard, Professor of Creative Writing, Pasadena City College and author of No Place.
