

The Personal Protection Handbook: A Comprehensive Training Manual for Handgun, Shotgun Rifle

By Leonard M. Breure

AuthorHouse. Paperback. Book Condition: New. Paperback. 207 pages. Dimensions: 11.0in. x 8.2in. x 0.5in. Take a look at the headlines of any major newspaper and you can tell that these are difficult times. Turn on CNN and you'll hear reports of wars and terrorist attacks. It doesn't take much to convince people that their safety is in jeopardy. With official resources spread so thin, more and more, people are taking the responsibility for their own safety. For many, the first step in doing so is to consider a firearm as part of the solution. Just as owning a piano doesn't make you a musician, simply owning a firearm doesn't make you prepared to defend yourself or your family. There are legal and ethical responsibilities as well as a host of practical issues to take into consideration. In addition, the dynamics of a life or death encounter demand the proper mind set, tactical skills and shooting ability if you hope to survive. Increasingly, those in the military and law enforcement communities are also looking to supplement their official training. As time and finances run short, agencies are often forced to cut all but mandatory training. This leaves officers and military personnel to deal with rapidly increasing threats using reduced skills and confidence in their survivability. Constantly, these professionals...

Reviews

An extremely awesome publication with lucid and perfect explanations. It is actually written in basic phrases rather than confusing. You will like how the writer publishes this book.

This pdf is wonderful. It really is written in simple terms instead of hard to understand. It has been developed in an exceedingly simple way and it is just after I finished reading this ebook in which in fact modified me, alter the way in my opinion.
