Reviews

It is in a single of my personal favorite publications. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. We have already very many books treating of the most holy Virgin, -books, too, which are most estimable in every regard. Some persons, in view of this fact, will perhaps say: Is not a new book on our Blessed Lady at best useless. A great blessing to the world were it, if freethinkers acted on this principle; for then they would cease to multiply every day the number of those impious and corrupting books which are so baneful at once to religion and to society. Llut to the great misfortune of mankind, freethinkers take not this view of the matter; and consequently we sec published nearly every day a countless multitude of books, which ruin the mind and corrupt the heart of those who touch them. Many families are aware of this, who, with tears of blood, deplore the foolish waywardness with which children betake themselves to reading of such books. And even should the streets and the houses teem with those publications, neither their authors, nor their distributors, nor their readers, ever say, We have enough of them. Yea! even every trouble is taken to maintain in constant fruitfulness the impure vein which produces them, and no expense is spared to facilitate their circulation. And when a new book appears, having for aim to promote that which is good, should well-meaning persons look upon the publication as superfluous for the mere reason that there are already extant a multitude of such books. Oh, how true is it that The children of this world are wiser in their generation than the children of light. Luke, xvi. 8 v. Because of the difference in the tastes and constitutions of individuals,...
