Reviews

It is just one of my personal favorite publications. It is among the most awesome publications I have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

Joseph Tigani, Australia, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Absolute Leadership consists of six competencies essential to transforming your possibilities into reality. By developing the six competencies, you can take much greater charge of your own destiny, lift your career to far more satisfying levels, and accomplish the aspirations and goals that are important to you, your teams and organisation. You can expect similar benefits to also happen in your private life. The starting point is to be able to lead yourself. Once you gain clarity about what really matters to you and the direction you would like to take in your own life and career, then that serves as the basis to develop the necessary skills to inspire other people to willingly follow you as a leader. Since Absolute Leadership emphasises what people actually do and can become, it is suitable for almost anyone in any size organisation, from a one-person business to a global corporation.
