A treasure of true and compelling accounts from twenty-one people who died yet wish to communicate their newfound wisdom regarding life from the perspective of the afterlife. Each story is as unique as the person telling it, from the elderly physician who did not believe in an afterlife, to the Chinese brother and sister who reunite in death after a lifetime apart. While the majority of the journeys are comforting, a few are not until the person comes to terms with their conscience and a place of peace with God. Ultimately, each describes their life lessons through the lens of true gratitude. NOTES FROM THE OTHER SIDE captures the heart as it raises the veil providing a glimpse into the afterlife. Eye-opening insights and soul-stirring passages, it combines into a phenomenal book. A rare gem and a must read!.
