

Findfar (Paperback)

By Michael a Aquino Ph D

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. FindFar is the third volume in the series which began with MindWar in 2013 and continued with MindStar in 2016. The first book introduced a practical technology for reducing if not completely eliminating the scourge of physical warfare afflicting humanity by neutralizing violent irrationality in the human subconscious and replacing it with the impulse to creative cooperation. These artificial but completely benign Psychological Controls (PSYCONs) are integrated with a new framework for international problem-solving, reverse-engineered to eliminate crises preemptively. The laboratory proposed for MindWar is a complete, evolutionary redesign of the U.S. Army s Special Operations branches into a new MindWar TriForce. Whereas MindWar concentrates exclusively on the physical machinery of the human brain, MindStar adds the missing element of metaphysical identity: what humans until now have only vaguely sensed as the soul. Now this genius at the core of every sentient being is brought into full illumination and definition as the MindStar. Both its distinction from and integration with the physical mentality are addressed. And finally FindFar completes this evolutionary adventure by superseding old, static, three-dimensional analysis and...
