A WING IN THE FIRE

Createspace, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Sometimes the worst demons you ll ever face are your own. That is exactly what Eri Corbin is about to find out. All Eri ever wanted was to grow up in a normal family, with a normal life. Unfortunately for her, destiny had other plans. Being an outcast at school was not what she had imagined normal to be, nor was her mother s advanced stage of diabetes and her father s bipolar disorder. Growing up in a God fearing town she had been brought up to believe in miracles and the power of prayer. But after years of hoping and praying for a miracle to save her mother, she has had enough of her prayers falling on deaf ears. Why should she believe in something that doesn t seem to believe or even care about her? She thought disowning God would, at the most, raise a few brows. She never dreamed that one little action could turn into a fight for her very soul. Just when she thinks her life couldn t get any more complicated the new guy at school, Israel Devlin, takes an interest in her. After weeks of trying to ignore him, Eri begins to notice that Israel is not who he seems to be by any definition. After struggling with her pain and the inner demons that pressed her to the point of losing herself, she is pushed further from the edge of reason by a manipulating demon that will show no mercy if it means winning her soul. The real question is what will destroy her first, a soul collecting demon or the demons within?.
