

## The Fate of Bonte III (Paperback)

By Alain Poissant

University of Ottawa Press, Canada, 2015. Paperback. Condition: New. Language: English . Brand New Book. Bonte III was five years old. A cow at that age is at her prime. Prime is an accounting term. A dairy farm is a business and must be managed as such. From this perspective, Bonte III's days were numbered. Numbered is not an empty word. She had been a good representative of her breed. A cow, after all, has no need to try to be a cow. Her life is that of a cow: a predetermined cycle that is easily reflected on a balance sheet. She eats. She drinks. She ruminates. She urinates. She defecates. All this has a cost. She ovulates. She bears a calf. She gives birth. She produces milk. All this brings money. [.] Tit for tat. The only thing left to do for Bonte III was to call the butcher. The Fate of Bonte III is a story of love and loneliness with colourful characters, a reflection on life and the vital need to be useful to someone or to something.

### Reviews

*It is one of my personal favorite publications. Indeed, it actually performs, still an amazing and interesting literature. It has been printed in an exceptionally easy way which is merely soon after I finished reading this book where it really altered me, changing the way I believe.*

-- **Neal Homenick IV**

*Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- **Annette Boyle**
