Reviews

*Unquestionably, this is actually the very best job by any article writer. I have read and that i am certain that i am going to planning to go through once again once more in the foreseeable future. I realized this publication from my i and dad advised this pdf to find out.

THE CHALLENGES OF THE US-JAPAN MILITARY ARRANGEMENT: COMPETING SECURITY TRANSITIONS IN A CHANGING INTERNATIONAL ENVIRONMENT (HARDBACK)

Taylor Francis Inc, United States, 2002. Hardback. Condition: New. New.. Language: English . Brand New Book ***** Print on Demand *****.This is an in-depth analysis of the U.S.-Japan security alliance and its implications for Japan and the Asia-Pacific region. It moves away from the official line that the alliance is a vital aspect of Japan's security policy and introduces issues and arguments that are often overlooked: American security policy has failed to achieve its goals; Japan's interests are not fully served by the alliance; the alliance itself is a source of instability in the region; and the arrangement has placed constraints on Japan's own political development. The author measures current developments in U.S. foreign policy against Japan's role in the region and Japan's own political development. He assesses the consequences of the alliance for the current regional situation in Northeast Asia, looks at future policy options for Japan, and makes the case for a neutralist security policy.
