

Fortress Harvard: Thinktank for Royal Revenge (Paperback)

Filesize: 6.21 MB

Reviews

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Sallie Wiegand)

FORTRESS HARVARD: THINKTANK FOR ROYAL REVENGE (PAPERBACK)**DOWNLOAD**

Saving Atb Inc., 2017. Paperback. Condition: New. 2nd Weather as a Weapon on 9/11/20 ed.. Language: English . Brand New Book ***** Print on Demand *****. Author, Robert Antonellis, takes us on a fascinating journey of discovery to reveal a whole hidden underbelly of hidden history, with Fortress Harvard-ThinkTank for Royal Revenge. Based upon years of deep research and the largest database of 9/11 events in the world that Antonellis and his EnigmaToo Team have created with his unique Artificial Intelligence EnigmaToo Tool. Read how Antonellis and his team cracked the secret codes of secret societies hiding pro-pagan, anti-Christian, and anti-American Monuments to Murder, in plain sight, for all to see. In Section 1, Prelude to America, find that the creeping influence of the occult took firm hold, early on, in the time of Adam and Eve, Cain and Abel, in the Garden of Eden. Learn that the 911 Blood Trail dates as far back in time as 586 BC, with the Babylonian destruction of King Solomon s Temple. And that even the digits 911 have occult meaning, and that there is, in fact, a 911 Blood Trail Pattern hidden throughout American history. The earliest 9/11 date on American soil, the book reveals, was 9/11/1776, just 69 days after John Hancock declared American Independence from the crown. Antonellis followed the 9/11 Blood Trail first to the British, when he saw the same digit sequences repeating, over and over again. The patterns involved the number 11, representing Twin Columns, and the number 5, as in the Pentagon, which was also attacked on 9/11/2001. The British attacked on 9/11 in FIVE(5) out of the 7 years of the Revolutionary War, with even the final battle taking place on 9/11/1782. The War of 1812 had Twin 9/11 attacks (Twin: the number 11), with...
