MEDITATION: THE ULTIMATE IN HEALING (PAPERBACK)

AUTHORHOUSE, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.At the moment a child takes birth, many stars emerge from around the earth s horizon. And each movement of the stars emits a specific vibration. Also, each star has its own individual movement. All these vibrations together create a musical harmony. This Pythagoras called this Harmony of the Universe. This cosmic harmony regulates the state of health and illness throughout the life. This is an investigation on how healing can happen. It begins with a passage from Sri Aurobindo s Savitri The fathomless zero occupied the cosmos and your world of finiteness. It is out of this fathomless zero first evolved ether or sky. Then came air, followed by fire, the remaining elements the water, the earth, and thus life evolved! The soul! The mind! And the physical body! Your physical body is mere showcase of all that happens at other planes or bodies. Then the question comes from where can healing really happen. Since physical body is mere showcase. Definitely it cannot be the beginning. Regular medicine begins here but not meditation. Can you start at bioplasmic level? Or you still have to go a step beyond. There are so many unresolved issues in each one of you that need to be addressed before the healing can really begin. Through these meditations, I am creating inner balance between body and the mind. Only then you can attain to meditativeness. This process will continue until new man, one who is beyond body, mind, and intellect, is born out of you. This is just the beginning. MEDITATION THE ULTIMATE IN HEALING is the outcome of the insights and deeper understanding of someone who has explored deep within an unfathomable treasure or reservoir. He...
