

The Little Black Book of Entrepreneurship: A Contrarian's Guide to Succeeding Where Others Have Failed

By Fernando Trias De Bes

BRILLIANCE AUDIO, United States, 2014. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. A truth-sayer's guide to assessing one's entrepreneurial aptitude, written for anyone seriously considering starting a business of any kind. Most entrepreneur guides focus on the mechanics of raising capital, drafting a business plan, and handling licensing, but they overlook the serious self-reflection that is required in the decision to launch a business. And most of the literature is obsessed with success stories, while ignoring the much more illuminating and instructional lessons that can be learned from failure. Featuring interviews and anecdotes from the author's nearly 20 years as an entrepreneur, *The Little Black Book of Entrepreneurship* identifies the 14 Key Failure Factors that every aspiring entrepreneur should be aware of before signing the papers. Entrepreneurs are the lifeblood of any economy, and yet over 90 percent of new entrepreneurial ventures fail. By forewarning would-be entrepreneurs about the 14 causes of failure, this book's thoughtful dose of reality will raise the quality of entrepreneurship by deterring misguided ventures and increasing the number of informed, successful start-ups. Philip Kotler, author of *Principles of Marketing and Marketing Management*.

Reviews

Absolutely essential study book. It normally fails to price excessive. I realized this ebook from my dad and i encouraged this publication to find out.

-- **Mariela Stroman**

Absolutely among the best publication I have got at any time go through. It really is written in straightforward phrases rather than hard to understand. Its been designed in an extremely straightforward way which is just soon after i finished reading this publication through which basically modified me, alter the way i believe.
