

Fireproof Construction for Houses and Other Buildings at Moderate Cost (Classic Reprint)

By National Fire Proofing Comapny

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Fireproof Construction for Houses and Other Buildings at Moderate Cost Concurrently with three large editions of this book which have been exhausted in the past two years, has developed a new and far reaching trend in residence construction. When, in 1908, the first edition was published, fireproof construction in residences of moderate cost amounted merely to a vague ideal. Previously unobtainable details of construction, cost, etc., with reference to residences having outside walls, partitions, floors, foundations and roofs of fireproof Hollow Tile, were then first made available, and this opened the way to their practical application by architects and contractors. Activity in the new form of residence building awakened at once, and made its influence felt throughout the East and spreading Westward. So satisfactory and superior did the results prove from the very first that never was the Hollow Tile house looked upon as a novelty, but attained without delay the highest recognition, not only as an advanced but as a thoroughly standardized practice. Without the high repute gained by Hollow Tile in previous years...
