The Engaged Teacher: What Works with Today's Students (Paperback)

By Nancy Vader-McCormick

New Forums Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.As described by Terry O Banion, Nancy Vader-McCormick is an authentic voice, seasoned and tempered in the fires of the teaching and learning experience; she has been on the firing line, on the ground, and in the trenches. In this book, she has transcended her experience as a practitioner to become a scholar, an author, a mentor-but always a teacher who wants to make passionate connections with her students and her readers. The Engaged Teacher describes today's college students, trends in the growth of postsecondary education, and the increased demand for accountability in education. It reaffirms major lessons learned from the teaching and learning research. This new title answers the question: What do exemplary teachers do to engage today's students in deep and sustained learning? The purpose of this book is to examine ways teachers can better engage today's students in learning and help them succeed in school. Teachers that employ some of the practical approaches presented in this book will: - Understand the relationship between the students, the subject matter, themselves, and teaching practices that positively influence and...

Reviews

Very good electronic book and valuable one. It is actually written in basic words instead of difficult to understand. I discovered this ebook from my i and dad encouraged this publication to discover.

-- Prof. Jevon Frami

Definitely among the best publication we have possibly read through. I really could comprehend everything using this published e ebook. It's been written in an exceedingly straightforward way and it is simply after i finished reading through this ebook through which basically altered me, change the way i believe.
