Taylor Francis Ltd, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. Leading Reliable Healthcare describes `state of the art healthcare management systems. The key focus of the publication is `reliable ; describing how leadership can ensure never less than reliable standards of care for patients and how excellence can be achieved. The focus throughout is on ensuring that patients and their families can depend on a reliable healthcare system for their needs, fulfilling their expectations that hospitals are trustworthy, stable and capable of dealing with their health, from the simplest to the most complex illnesses. Each of the chapters focuses on a different aspect of building a reliable healthcare system, concentrating on the leadership necessary to deliver and manage the different component elements of the healthcare system. The nominated contributors for this book are recognized leaders from various healthcare systems around the globe, including the UK, USA, Canada and South Korea/Singapore. The contributors have been selected to ensure a wide perspective of healthcare management, building on diverse approaches, practices and experiences, and are currently practicing healthcare management in their respective systems. The book aims to focus on the pragmatic rather than theoretical and will provide a series of practical methodologies and case studies to help improve decision making in healthcare management. With contributions by: Sallie J. Weaver, PhD, MHS, Associate Professor, Armstrong Institute for Patient Safety and Quality and Dept. of Anesthesiology Critical Care Medicine, John Hopkins University School of Medicine Susan Mascitelli, Senior Vice President, Patient Services Liaison to the Board of Trustees, New York-Presbyterian Hospital Dr. Sandra Fenwick, Chief Executive Officer, Boston Children s Hospital Martin A.
