You pick up a book because it needs to give you value; real value-that is just what you receive with this book! We want to feel better, and many of us are aware now that we have epidemic and pandemic thyroid issues. My book is like no other, and in large part because I worked with people hands on providing real relief in many ways for over three decades! I healed myself from extensive lifelong thyroid problems! I will show you how to identify, detoxify and heal yours! This book gives you back your power! I show you how to make a plan, even on a small budget and you can reverse and unwind thyroid issues. You will put together a plan and you will know what is directly and indirectly harming your thyroid. While many have a diagnosis, even more never received one! For you to be powerful, feel good, cease constant throat clearing, have energy, and, sleep well, get this book! Youre not Crazy! And, its not all in your head! Thyroid imbalance and a need to detoxify can cause Bipolar and Schizophrenia! I explain why and how can prevent this from happening to you. You see when stress hits, you can become quite disabled by it. After you read this book, you will know if you also had a long standing thyroid imbalance. Birth, Puberty, Menopause, and other life events produce stress; positive or negative stress, it can trigger your thyroid over the edge! I experienced it! I cover toxic heavy metal exposure and mineral balance. I break it down for you,...
