Adams Media Corporation, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. A bird pooped in my daughter s mouth yesterday. Do we need to worry about anything?Sure, kids may say and do the darndest things, but concerned parents definitely take it to a whole other level. While these moms and dads certainly mean well, it s hard for anyone (even a pediatrician) not to dissolve into laughter when they hear weird and unexpected questions like:Betty ate cheese from a mousetrap from which the mouse also ate. Is that anything to worry about? Should my eight-year-old wear boxers or briefs?I dropped off my son s urine sample in a Tupperware container. Can you please give it back when you re done?From concerns about pickle-shaped poos to the risks of sitting on Santa s lap, Dr. Henry Anderson, a pediatrician in private practice, has heard it allÂ and now you can, too.
