## LAW MADE FUN THROUGH HARRY POTTER S ADVENTURES: 99 LESSONS IN LAW FROM THE WIZARDING WORLD FOR FANS OF ALL AGES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.If you love wizards, witches, and Hogwarts, and if you are curious about the law, this book is for you. It explores the intersection of Harry Potter s adventures and the law of our society. It uses the twists and turns in the experiences of our favorite, and some not-so-favorite, characters as case examples to illustrate legal principles. For a society to function orderly and for people to live together without chaos, there must be laws and rules for people to follow. Thus, law is a critical component for any civilized society, including ours and Harry s. Law is what differentiates anarchy from order and civility. Law imposes penalties - such as jail or fines - for illegal acts. Law also provides a mechanism to settle disputes among people and protect our rights as individuals. Curious minds want to know more. This book contains 11 modules, 10 of which cover a major category of law and consist of numerous chapters that have a common theme. Examples of the modules include Criminal Law, Family Law, and School Law. The chapters within a module address a specific area of law such as Identity Theft, Child Neglect, and Bullying. Each chapter includes the following components: a short vignette from the Harry Potter stories, an explanation of the relevant Muggle law, and a explanation of how the law of our world would be applied to the wizarding situation.
