Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.To me, horses resemble the Word of God in that they are active and living. New discoveries are waiting to be made every day. There is always more to learn because neither is robotic. Each offers a fresh inspiration that evokes us to change and grow. Both are a pillar of strength but have a softness and tenderness that demands our trust. By opening this book, you can come along with me to my horse pens, even if it s only through words on a page. I want you to step into the round-pen with me and receive the revelation God has given me through these amazing creatures. He created them in the first chapter of Genesis at the beginning of time. He saved them on Noah s ark during the flood. They have carried kings and royalty, soldiers into battle, and maybe even witnessed the birth of Jesus Christ in a little stable in the town of Bethlehem more than two thousand years ago.
