Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Christianity has kept many secrets through the ages and none more powerful than the soulless exorcists: the GARGOYLES. Secretly carved from a cache of consecrated livingstone in the twelfth century, the gargoyle, Celestino, is brought to life by his Maker, a young woman called Iseo. Once Celestino s first breath is taken, his birth into the new world is complete and his training must begin. He is sequestered for his own safety in the hidden halls of the cathedral at Santiago de Compostela in Espana. There he learns about the world of man and their Heaven, existing for forty days as a man of flesh blood, before resting for seven days as a stone chimera. Because he has been birthed by mortal hands, Celestino is a soulless creature with a powerful free will. He must choose to obey the Codex of Gargoyles, or become the very thing he was meant to destroy. Will he obey the required oath or betray everyone to follow his own desires? This book is for those who love: *gargoyles and gargoyle romance *historical fantasy and romance *the world of demons and angels *knights and demons *true love.
