They are animals that humans enjoy feeding, raising, and watching. The duck is an animal that shows up in cartoons as a wacky character; ducks amuse us, with their quacking and their waddling. But did you know that not all ducks quack? Ducks are present in many different tales. From Hans Christian Anderson's Ugly Duckling to the modern tale of Ping, the duck has been kept in our attention for centuries. From the Mandarin duck in Asia to the Mallard in America, we have a lot of feathered friends to get to know. Ducks can be a lot more interesting than you would think; from what they eat to how they sound, ducks are different all over the world.
