Early History of Nuclear Medicine: Oral History Transcript (Classic Reprint) (Paperback)

By William G Myers

Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Early History of Nuclear Medicine: Oral History Transcript This interview with Professor William G. Myers is one of several dealing with the history of nuclear medicine and the development of Crocker and Donner laboratories, within the larger series of oral histories produced by the History of Science and Technology Program. Besides these interviews, the Program assembles other primary source materials, including the papers and personal memorabilia of scientists and engineers, and the papers of certain organizations with which they were associated. The papers and interviews help to document the development of science and technology not only in the western United States, but also in the nation as a whole.
