

Love Virtually (Paperback)

By Daniel Glattauer

Quercus Publishing, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. Have you ever just clicked with someone? Is there a safer space for secret desires than virtual reality? Just what you need WENDY HOLDEN It begins by chance: Leo receives emails in error from an unknown woman called Emmi. Being polite he replies, and Emmi writes back. A few brief exchanges are all it takes to spark a mutual interest in each other, and soon Emmi and Leo are sharing their innermost secrets and longings. The erotic tension simmers, and it seems only a matter of time before they will meet in person. But they keep putting off the moment - the prospect both unsettles and excites them. And, after all, Emmi is happily married. Will their feelings for each other survive the test of a real-life encounter? Translated from German by Jamie Bulloch and Katharina Bielenberg.

Reviews

Extensive information! Its this type of excellent study. I have read and i am sure that i will gonna go through yet again once more down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Simply no phrases to explain. It is definitely simplistic but shocks from the fifty percent from the pdf. You may like the way the blogger write this ebook.
