Createspace Independent Publishing Platform, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Margarita Cat treats a subject timely to today s social and economic meltdown - how to dodge them in style! The trade wind reaches of the world have gone chock-a-block with cruising sailors who have trickled down to the underdeveloped parts of the world, slipping the yokes of their failing postmodern states. Caravans of yachts follow Ayn Rand s escape route by going Galt in the South Pacific, the Mediterranean and the Caribbean. . As Peter Swanson, contributor to Yachting, Soundings and Passagemaker magazines, puts it: Bruce Van Sant spent 40 years navigating in that subculture. But coming so early into it he never really fit in with the American cruising crowd as it swelled to a movement. His apartness has given him a unique, often hilarious perspective of what happens when Middle-America decides to escape by sea . . . in Margarita Cat, the result is an oddball classic in a genre of one. Cruising Guide Publications says Margarita Cat is a lovely and indulgent book of letters, logs, and memories compiled like a giant love letter to the sea and all those who dare to venture upon her . . . yet another wonderful example of his literary and epistolary sagacity, whimsy and an ongoing love affair with the written word. Also available for Kindle and Ipad at the Kindle Store.
