CRAP IN A CAULDRON What if you woke up tomorrow to find you re no longer human? New York Times bestseller, Victoria Danann, author of Best Paranormal Romance Series the past four years in a row, continues the fast paced and breathlessly sexy adventures of D.I.T. Rosie hired Irish elf twins, Sheridan and Shivaun O Malley for the newly formed Department of Interdimensional Trespass. They were wild and nearly feral, raised in the New Forest Preserve with no contact with the modern world until Black Swan made them the only female hunters other than Lady Elora Laiken. When Sher was assigned as Finngarick s partner, they were both stunned to find they weren t only partners, but fated mates. Blissful fated mates who enjoyed each other for the span of less than a month before Sher was abducted by one of the very demons they hunted. Meanwhile, the Wild Bunch, Black Swan s new nickname for Rosie s hunters, has its own problems. Find out why readers are calling this series addictive, tantalizing, and sooooo elfing good. Sizzle with suspense, Victoria s signature humor, kick ass heroines and gorgeous sexy ex-vampire hunting elves. Grab your copy and an oxygen tank! Cause you re gonna be breathless.
