Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Reports of Exploration of a Portion of the New Westminster District: The East Coast of Vancouver Island, From Menzies Bay to Fort Rupert, and of the Cassiar District Although this Report is made from an exploration and actual observation of the country between the City of New Westminster and Fort Hope, embracing both sides of Fraser River, I have, from time to time, availed myself of valuable information received from practical and experienced farmers throughout the district, respecting the country in their immediate neighborhood, the nature and value of the soil, and its adaptation to general agricultural purposes. Therefore, combining these together, I hope in this Report to la before you such information as will enable the public to form correct- conclusions respecting a district which now attracts so much attention; and by doing.2 this to attain the object of the department under whose authority this exploration was undertaken. On the accompanying sketch, the distances between the principal points along the 2 river, and the direction from these points to the different tracts of land...
