## COHERENCE: THE SECRET SCIENCE OF BRILLIANT LEADERSHIP (HARDBACK)

Kogan Page Ltd, United Kingdom, 2015. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Every business leader faces innumerable challenges every working day, each one taking their toll on precious energy levels and the ability to respond and react positively in a commercial environment. Coherence recognizes the key factors that negatively impact a leader s effectiveness and ability to lead, and provides the reader with unique solutions designed to improve physiological factors that impact on core competencies. Problems today cannot be solved with yesterday s level of thinking. CEOs fail and leaders burn out because our thinking has not sped up or powered up. The author not only recognizes that leaders have the potential for limitless processing power, but shows them how to access it, taking them back to fundamentals and, quite literally, to the heart of who we are and how we function successfully. By showing leaders how to be younger, smarter, healthier and happier, Coherence gives every decision maker the power to make influential decisions under pressure and achieve sustainable success at every level.
