MARY THE HAIRY FAIRY AND THE MAGIC OF NOW (PAPERBACK)

Spellwear Publishing, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Mary the Hairy Fairy and the Magic of Now is a fable about the magic of being yourself. Mary is a unique little fairy born different to the other fairies. Through following her own inner guidance, she not only finds her own way in her world, but comes to the rescue of her community. Through trusting herself and her own uniqueness, Mary helps others and magical things happen. This story has been written and richly illustrated by Catherine Somers, an artist and writer living in rural Byron Bay, Australia. The story is for age 4- 8 years old. It is 800 words, written in verse, and presented in a font that promotes early reading. The characters are earthy and appealing to both boys and girls. The illustrations are detailed, hand-painted and magical. The story supports children to believe in themselves and their own talents - even if this feels different to everyone else. It promotes self-esteem, self-reliance, imagination and play. It is a great storybook for bedtime and the perfect gift for special occasions and birthdays.
