Ogden Rails

By Don Strack

Union Pacific Historical Society, 2005. hardcover. Book Condition: New. Ogden Rails: A History of Railroad at the Crossroads of the West by Don Strack. The Union Pacific Historical Society and Don Strack are proud to announce that they have collaborated to republish Dons Ogden Rails book of 1977 in a new and considerably expanded, redesigned format. Compared to the original 96-page vertical format, softcover book, the new edition is a 172 pp., hardcover in a 11 x 8.5 horizontal format. It contains 217 photographs, with 75 in color, along with 24 maps, including a double-page full color map of the Ogden facilities in 1969. Ogden Rails is the history of the railroads in Ogden, Utah from 1869 to today. It starts with the early Union Pacific and associated feeder railroads, the Utah Central, Utah Northern, and Oregon Short Line. The Central Pacific and Southern Pacific are covered as well as the Denver & Rio Grande Western and Ogden Union Railway & Depot Company. Union Pacific coverage continues through the mergers to current day activities. Coverage is also included of the electric and interurban railroads, The Bamberger and Utah Idaho Central, until their shut down following World War II. The Utah...

Reviews

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).

-- Prof. Buddy Leuschke

Completely one of the best publication I actually have ever study. I really could comprehended almost everything out of this written e publication. Your daily life span will likely be change as soon as you total reading this publication.

-- Prof. Adolph Wisoky
