Or renting an apartment with kitchen space, but no kitchen? How about having to bring birthday cake to work on your own birthday? In *The Frankfurt Files: Tales of an American in Germany*, David Conte moves overseas to Frankfurt, Germany, in order to save his relationship with his German girlfriend. But when he finds himself having to relearn life in a very different way, his storybook romance becomes one big lesson in surviving culture shock: hauling a couch up a flight of stairs by himself after being abandoned by callous furniture movers; participating in civilized nudity at a wellness center; addressing the issue of cream cheese abuse in German sandwiches. A discerning idealist turned idiot among foreigners, he relates the good, the bad, and the in-between of his offbeat cultural encounters.
