Excerpt from The Vanguard of American Volunteers: In the Fighting Lines and in Humanitarian Service, August, 1914 April, 1917 O historian of the future will be able to ignore the important part which that small but heroic band, the Vanguard of American Volunteers, played in the great war to make the world safe for democracy. For it was they who were the voluntary leaders along the path which the people and the government of the United States, after more than two years and a half of hesitation, were to follow; and it was they who, by the inspiring example of their self-sacrificing devotion to the cause of the Allies, were largely instrumental in creating and in crystallizing public Opinion among their own countrymen in favor of the entrance of the United States into the war.
