Reviews

Thorough guide! Its this sort of very good study. Yes, it really is play, nonetheless an interesting and amazing literature. You may like the way the blogger create this ebook.

(Dameon Hettinger)

EVOLUTION AND MAN S PROGRESS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Evolution and Man s Progress Because OF their special knowledge, scientists and scholars may be in a position to see some of the future consequences and costs of current social practices before they become evident to decision makers, either in large enterprises like governments or small enter prises like families. Few have either the time or the talent to become informed about long-range implications arising from advances in sci ence and technology. And yet in the twentieth century, as compared with previous centuries, the impact of science and technology upon our ways of living and our destiny has become paramount. The mush rooming clouds of new notions and new patterns of behavior are altering the nature and circumstances of human life more within a few years than they were altered over centuries in the past. There is no guarantee that these new circumstances are going to be stable or viable; instead, there is a probability that a civilization, whose decision makers operate in ignorance of where this onrushing current of events is taking us, may unwittingly be headed for disaster. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
