Brand New Book ***** Print on Demand *****.Excerpt from The Last of the Mohicans, Vol. 1 of 3: A Narrative of 1757 The greatest difficulty with which the student of Indian history has to contend, is the utter confusion that pervades the names. When, however, it is recollected, that the Dutch, the English, and the French, each took a conqueror's liberty in this particular; that the natives themselves not only speak different languages, and even dialects of those languages, but that they are also fond of multiplying their appellations, the difficulty is more a matter of regret than of surprise. It is hoped, that whatever other faults may exist in the following their obscurity will be thought to arise from this fact.
