THE SECRETS OF HAROLD STREET (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Oliver and his friends are regular high school students in London when a series of events changes their lives forever. They must decide between a normal life or one without their families. They have to choose their future lives right about the time most teenagers first learn how to drive. It would be the hardest decision in their lives yet it would only amount to a mere day of pondering. In urge for adventure, Oliver and his friends take an one way ticket to mysterious and dangerous lands. Their adventures will lead them across the world in chase of a ghost enemy. Out of a sense of duty, they make great personal sacrifices to come to terms with that one decision. Oliver often thought of Dylan Thomas s words: Do not go gentle into that good night but rage, rage against the dying of the light. There are always going to be decisions in life. Some cost lives.
