Some hundreds of miles to the southward, in a shaded and silent room, lies the President of the United States, with death on one side of the bed and life on the other, quarrelling as to which shall have him. It is a time and place of infinite issues to him personally. On the one hand, there is the possibility of a grave dug for him in the maturity of manhood, on whose headstone it will be no lying epitaph to write, Well done, good and faithful servant! ; on the other hand, there is the possibility of many illustrious years to come, with increase of power and fame, the ruddy bud of promise opened into imperial blossom. It is still more a time and place of infinite issues to us as a people. The vast importance of this crisis no man can measure. The outcome of this sudden arrest, as the ship of state strikes on this unmapped rock, no prophet can foretell; God only knows. The report of the assassin s pistol, we are told, was loud and startling, but its sound was utter silence, compared with the resonance of events that inevitably succeed the attempted murder-stroke.
