Filesize: 2.21 MB

Reviews

Simply no phrases to explain. It is definitely simplistic but shocks from the fifty percent from the pdf. You may like the way the blogger write this ebook.

(Antonetta Tremblay)

COUNTERPOINT, United States, 2014. Paperback. Condition: New. David Powell (illustrator). Language: English . Brand New Book. In *Pitiful Criminals*, Greg Bottoms offers thirteen genre-bending chapters from his past that take a close look at the lives of small-time criminals driven, often by confusion and desperation, to deeds that range from the absurd to the heinous. We meet the author's schizophrenic arsonist brother, a depressed pot grower, a damaged ex-dealer who barely escaped a violent burglary, a born-again teenage shooter, and other alienated Americans pushed to extremes by psychology and circumstance. Forceful, poetic, unique, and utterly uncompromising, it is an unforgettable tour of the dark side of the human condition. Greg Bottoms's innovative fiction and creative nonfiction have focused on the American South, the effects of violence on individual lives, criminal behavior, mental illness, ecstatic and spiritual experience, and class in America. He blends explicitly autobiographical and biographical content with artful storytelling, a cultural journalist's observations, and a philosopher's deep inquiry into the strange ways we live now. This is postmodern crime fiction at its gritty and original best.
