Enrichment of Soul for Greater Awareness Take a dive deep into the depth of your very own soul. What do you see? Who are you? What makes you the person that you are today? These are questions you should know about yourself. If you don't know, then you don't know the very fabric of your own soul. The soul has many spiritual connotations and nevertheless, they are all not wrong - from the eyes being the windows of the soul to the soul being a transcendence of self-awareness that breathes higher consciousness. Soul Empowerment will allow you to enjoy life more by learning to take care of your soul just as you care for your body. Through it all, you will experience more joy and peace each day.
