Sustainable Living - Practical Eco-Friendly Tips for Green Living and Self-Sufficiency in the 21st Century This Special Edition Compilation includes topics such as: - A green surrounding for your baby including what he/she sleeps on and the toys played with- DIY solar panels for sustainable living as electricity costs continues to rise- How to make non-chemical green cleaning solutions for your home- What you should know about hybrid electric vehicles to save you gasoline money- How to build an organic garden (inside your apartment in a container or outside in your backyard)- Recycling your electronic goods and getting paid for it- Sustainable feminine hygiene alternatives- Organic cosmetics- Magnetic electricity- And a couple more topics! There is more interest in self-sufficiency during this 21st century than ever before. That blatantly tells you that people are feeling the effects of the environment around them. We're not talking about good effects either. We're talking about chemicals in the food we eat, pollution of land, water and the air we breathe. This also includes finite natural resources that are becoming scarce thus driving the cost...
