Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Know Thyself, And The Other Person Too; is a modern approach to the subject of relationship and how to be successful at having one. It is especially suited for young individuals who are seeking to have a meaningful relationship with a potential spouse, as well as older individuals looking to reinforce the fundamentals of their relationship. This book takes a detailed look at human complexities and the best practice approaches to having a blissful relationship. Dealing with relationship problems can be hard at times and as such we might be lacking in the basic skills need to correct these problems. In an effort to facilitate a wholesome atmosphere, this book also acts as a guide that provides clarity on serious relationship issues we may encounter while sharing our lives and space with someone else. As individuals, this book helps us better understand the things that are expected of us and what we should expect of our spouses as well.
