

Scenes from the Nerdiverse Volume 1 (Paperback)

Filesize: 5.38 MB

Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Brian Miller)

SCENES FROM THE NERDIVERSE VOLUME 1 (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It s a book! It s a game! It s both! Scenes from the Nerdiverse is a love song to all things geeky and magnificent and weird and nerdy. It s a one-shot comic about killer robots. It s a short story about gaming. It s a gamebook about a plague on the moon. It s tales of fantasy and Anime and Superheroes. It s poetry about science and pirates and flying and guilds. It s a mixture of multiple genres and creative layouts working together to form a single, cohesive unit. There s a bit about a cat. Scenes from the Nerdiverse is like nothing you ve encountered before. And this is only Volume 1.
