## Irish Music for a Sea of Strings (Paperback)

By Julietta Anne Rabens

Createspace Independent Publishing Platform, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Sea of Strings is a series created for harp ensembles to play. Pieces are arranged so that harp 1 can be played as a solo, both parts may be played as a duet, or a harp quartet/ensemble can assign one staff line per player. Fingerings have been left out since these will change whether the two grand staves are played as duets or if each staff is divided between two hands. Pieces are in the key of C for ease of reading, and to accommodate small harps without levers. This series may also be used on other instruments such as piano or string ensemble. Each book in this series focuses on music from one ethnic tradition and may be performed as a set with a reception of culturally appropriate foods to accompany. They may be used as a way to explore cultural diversity. Contents include: Sky Boat Song, Kitty Magennis, Celia Connellan, Haul Away Joe, Snowy-Breasted Pearl, The Blackbird, Butterfly Jig, The Great Silkie, Shule Aroon, and The Road to Lisdoonvarna.
