LINKAGES BETWEEN TRADE POLICY AND ENVIRONMENTAL POLICY

Bod. Paperback. Condition: New. 172 pages. Dimensions: 10.0in. x 7.0in. x 0.4in. This book looks into areas in which the relationship between environmental policy and trade policy at the international level is unresolved and subject to debates and negotiations. Most controversial is the treatment of standards on processes and production methods (PPMs) when a product is traded. Should the way a product is manufactured or the resources being exploited in this process be considered when allowing market access - although the...

Reviews

This pdf is indeed gripping and exciting. it was writtern quite completely and valuable. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication might be worthy of a read through, and superior to other. It normally is not going to charge excessive. Its been written in an remarkably simple way and is particularly just after i finished reading through this book through which in fact transformed me, alter the way i really believe.
