

Real-World Learning Framework for Elementary Schools: Digital Tools and Practical Strategies for Successful Implementation (Paperback)

By Marge Maxwell, Rebecca Stobaugh

Solution Tree, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Creation in the real world is a disorganized process, and in order to foster authentic learning in the classroom, teachers must be flexible in planning and supporting learning experiences. Bring about deeper, self-directed learning in elementary school students. This book outlines opportunities teachers and students have to exercise cognitive complexity, engagement, and technology integration through real-world project-based instruction. Part one details the Create Excellence Framework for 21st century skills, and part two offers sample lesson plans from real-world learning projects, so educators can help students take more responsibility for and find more enthusiasm in their own learning. Benefits: Learn each of the components of the research-based Create Excellence Framework for lesson planning and how each component connects to student content standards. Discover the five levels of real-world learning, helping students find greater fulfillment in their PBL (project-based learning). Answer questions to consider in setting up the Create Excellence Framework for real-world learning. Consult real-world examples of Create Excellence Framework-applicable learning projects that meet the guidelines of curriculum standards. Learn about many online tools and resources to promote online projects that engage students in authentic learning. Contents...
