Createspace Independent Publishing Platform, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is a book for men that takes a behind-the-scenes look at what really goes on in the mind of a woman during a relationship. It explains the underlying emotional warfare continually taking place. Basically; what the game of love is really about and how to play it. It is a dramatic departure from any other psychology / relationship type book and demystifies for the first time the properties of emotional interaction. Unlike most psychology books, this book has a results-orientated approach, where the aim is to provide clear strategies and tactics that anyone can do, and must do, in order to achieve a secure love relationship. Eye-opening insights into: - The scary origin of love - The inertia of emotions - The old verses new-brain conflict - The complexity of sex - The dominant role of emotional interaction - The impossible challenge of communication and how to solve it - The bankruptcy of conventional psychology It is a book for the faint-hearted, as we all are when it comes to love. Welcome to a new world.
