This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. African Americans, more than any other populations in the Americas, have been shaped by migrations. Their culture and history are the products of black peoples various movements, coerced and voluntary, that started, in the Western Hemisphere, five hundred years ago. Theirs is the story of men and women forced out of Africa; of enslaved people moved from the coastal southeast to the Deep South; of fugitives walking to freedom across the country and beyond; of colonists leaving their land to settle on foreign shores; of southerners migrating west and north; and of immigrants arriving from the Caribbean, South America, and Africa. Although the Atlantic slave trade has created an enduring image of black people as transported commodities, and is usually considered the single element in the construction of the African Diaspora, it is centuries of additional migrations that have given shape to the nation we know today, a nation different from that forged solely by the dreadful transportation of the Africans against their will...
