I m not saying Henry jinxed us when he chose to send out two hundred holiday cards stating we were going to have a blissful Christmas at home. Before we knew it, our peace and quiet went out the window, and we were headed to Mexico for a photo shoot my agent had neglected to tell me about. Of course, we had to deal with the man who didn t want us to be together, and then we ended up back in LA, and we had to figure out what was going on with my brother, and, and. Okay, deep breaths. FYI, Philadelphia is nowhere near our home in northern Washington. Additionally, I wonder how Viagra really works, and what s it gonna take to get a proposal around here? Honestly. I m not saying Henry jinxed us, but I m writing the damn card next year. Warning: This story contains more sugar than the cookies you leave for Santa, and it s chock-full of greetings and updates from other characters written by Cara, titles including Noah, Home, Path of Destruction, Uncomplicated Choices, and more. (A 40k words long Christmas-themed sequel to Out.).
