Reviews

This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.

HarperCollins Publishers, United Kingdom, 2000. Paperback. Condition: New. Language: English . Brand New Book. Pulitzer-winning, scintillating studies in yearning and exile from a Bengali Bostonian woman of immense promise. A couple exchange unprecedented confessions during nightly blackouts in their Boston apartment as they struggle to cope with a heartbreaking loss; a student arrives in new lodgings in a mystifying new land and, while he awaits the arrival of his arranged-marriage wife from Bengal, he finds his first bearings with the aid of the curious evening rituals that his centenarian landlady orchestrates; a schoolboy looks on while his childminder finds that the smallest dislocation can unbalance her new American life all too easily and send her spiralling into nostalgia for her homeland. Jhumpa Lahiri's prose is beautifully measured, subtle and sober, and she is a writer who leaves a lot unsaid, but this work is rich in observational detail, evocative of the yearnings of the exile (mostly Indians in Boston here), and full of emotional pull and reverberation.
